EDITOR'S LETTER

Well these are rather strange times, aren't they? As I write this, the silence caused by everybody else who works around here self-isolating is deafening, but it'll take more than a virus to keep me away from my work – especially when it involves such spectacular visions of female loveliness. We don't actually know how the virus will effect the distribution and on-sale date of this issue, but assuming that you've got your hands on it, then well done you! And if you are going to self-isolate, I can't think of a better publication to do it with! Keep safe out there, folks!

A TIGHT PAIR!

Dear *Mayfair*,
I thought your readers might like to hear about an incredible experience I had just last week. I knew that my girlfriend had her work's annual awards meal, so I wasn't too surprised to find when I got in from work that the shower was going and the living room was empty. I kicked off my shoes and flicked on the telly. I was slightly more surprised when the shower switched off and the woman that padded down the stairs was my girlfriend's work colleague, Maria.

Maria is absolutely stunning – about 5'5", slim and with gorgeous 32D tits, a lovely arse and shoulder length brown hair. All of it barely hidden in the white towel she had wrapped around herself. What really took me back was when Maria, without a word, came and straddled my lap, put her hands on the back of my neck and without a word gave me a full-on kiss.

> MY HAND SLID DOWN TO EXPLORE HER NEATLY TRIMMED FANNY SHE WAS DISPLAYING.

"Hi, Pete, how was your day?" she asked.

I was surprised, confused and fucking horny in equal measure. I did however manage to stammer, "Er, it just got much better to be honest."

"Yeah, I know," returned Maria, who simultaneously gave me a no-tongues-barred kiss and ground her snatch against my crotch. Then she reached down and started rubbing my cock through my trousers!

I then heard another set of footsteps on the stairs and my girlfriend appeared in her dressing gown and with her make-up bag in her hand.

"Hi Pete," Sophie said. "I didn't hear you come in from work. I can see you've already said hello to Maria then."

I knew something was afoot as by rights my girlfriend should have hit the roof, seeing me with her near naked friend on top of me, grabbing hold of my cock. Instead she sat down right beside us on the sofa, popped her makeup bag on the coffee table, and leant over and gave Maria a mighty kiss.

Her dressing gown fell open enough for us all to be able to tell she was wearing nothing underneath it. I was totally gobsmacked, as the missus hadn't displayed any lesbian tendencies before, but she clearly was now as her hands delicately undid the neatly clenched towel hiding Maria's tits, and fondled one of the gorgeous pert nipples while their kiss went on.

Regaining my composure, I started licking the other one of her gorgeous 32D tits, and slid my hand down to explore the neatly trimmed fanny that she was displaying. Maria was clearly enjoying

SOPHIE... SO GOOD!

Dear *Mayfair*,
Now you're into your 55th year it's great to see you've still got plenty to offer, and are capable of putting lead into the pencil of your readers, many of whom, I suspect, are of a similar vintage to yourself. What a cracking way to start off the new volume it was, with a brace of newcomers proving once again that *Mayfair* has what it takes to attract the sexiest models in the land, with Scarlett and Sophie B ticking all the right boxes. A lovely ginger fanny is a rare treat indeed, and Scarlett's was a sight for sore eyes, while Sophie's the owner of one of the prettiest faces I've seen in your mag for quite a while, and a lovely curvy figure that's the epitome of womanly appeal.

I look forward with baited breath to see what other treats you might have in store for us this year!
Julian, Taunton.

WHO'S THE MADDY?

Dear *Mayfair*,
I have to confess I've never bought your magazine before, but I was intrigued to see what a proper girlie mag might look like, so I took the plunge and brazenly walked into a local newsagent and bought your latest copy last week – and boy am I glad I did! Obviously all the girls and letters were a real-turn on (and so much better, somehow, than just looking at porn online), but what really sealed the deal for me was the pictures of Adele, who looks incredibly like my best mate's older sister! I've lusted after Maddy for years, but I don't suppose she'd ever agree to go out with her little brother's mate. Still, the pictures of the gorgeous Adele are certainly some compensation! I'm not sure I ought to tell Harry about his sister's doppelganger, but I've certainly enjoyed feasting my eyes on her. Has Adele featured in any other issues of your magazine? If so, I'd love to get my hands on them (and her, of course!).
James, via email.
Dear James, welcome to the delights of a proper magazine! And thanks for the pic of Maddy you enclosed - we can't publish it without her consent, but she certainly does look a lot like Adele (probably best not to tell your mate!). Speaking of Adele, yes, we've featured her quite a few times after she debuted in 50.08. To find out what issue's she's been in, you can do a search at paulraymond.xxx. Happy hunting! - Ed.

herself and she let out a little whimper as my finger slipped easily into her dripping wet snatch. I finger fucked her as my girlfriend slipped one hand down to start wanking herself off. Just as I was starting to wonder what I could do about my aching cock, Maria slipped away from my finger and straddled my girlfriend's lap, looked at me and then said to Sophie, "One of us is wearing a bit too much, don't you think?"

I didn't need a second invitation and jumped off the sofa and started getting out of my clothes the quickest way I could, while keeping an eye on the girls who were clearly enjoying each other's company on the sofa, as both the dressing gown and the towel were discarded.

Not one to stand on ceremony I took up position behind Maria, who was still straddling the missus. My girlfriend eased her fingers out of Maria's cunt, grabbed my cock and guided it into Maria's muff. The feeling was exquisite as I took Maria from behind my girlfriend explored Maria's clit with one hand, while the other continued playing with her own soaking wet lips.

Maria pushed back hard onto my cock taking it as far as she could into her tight hole, and groaned with pleasure. I took this as a hint and fucked her deep and hard, hands on her shoulders pulling her back on to my grateful cock, Sophie keeping one finger brushing across Maria's clit.

"Don't stop," Maria groaned as I ploughed deep into her. Moments later I felt her muscles starting to contract around me.

"Fuck yes, I'm coming. I'm going to come so hard," she whimpered as the pace slowed and she pushed back onto me one last time. Her frantic jerking orgasm stopped and she slipped off my cock as I felt my balls start to twitch.

"How rude of me," Maria gasped. "I've had all the attention here. I'm just going to pop upstairs and freshen up and let you two say hello to each other properly."

We both watched Maria's gorgeous arse head back up the stairs. My girlfriend looked at me, whispered "hello" in my ear and then dropped to her knees in front of me, grabbing my still-throbbing cock and licking the remnants of Maria's hot sticky minge juice off my bell end. I almost came as she started giving me a blow-job proper. Her spare hand reached back to finger herself, and the satisfied guttural noises she was making sent pleasant vibrations down my pole. Sophie was properly working herself up into a frenzy, and my cock was getting all the benefits from it.

Before I knew it, Maria was back in the room. She made eye contact with me and said, "I recovered quicker than I thought."

Then she pulled a big red vibrator from behind her back and took up position behind my kneeling girlfriend. As the vibe was shoved home, Sophie stopped sucking my cock and let out a passionate scream.

"Oh yes, push it harder. All the way you filthy bitch!"

Surprisingly Maria reacted to this and fucked Sophie's hole for all she was worth. Once again my girlfriend stuck my bell end in her panting mouth and wanked me off with great eagerness.

Every time the vibe pushed home my cock slipped deep into Sophie's throat and she came one step closer to coming.

"You fucking like that?" Maria asked, gently pulling Sophie's hair back to get her attention. "Is that what you want?"

"Oh yes, it feels amazing," was about all Sophie could manage as my desperate cock was returned to the rhythm of her warm wet mouth.

If there is one thing better then getting the blow-job of your life, it's getting it while your girlfriend is being fucked from behind by her impromptu lesbian lover. It didn't take long before my girlfriend came to a screaming bucking orgasm. That and the performance that was being played out in front of me proved too much and I shot stream after stream of my hot load in and around Sophie's mouth. Slightly weak at the knees I slumped onto the sofa, as my jism was exchanged between them in another deep kiss.

We were a little late for the awards dinner, but it was more than worth it and the fun started all over again when we returned home later, a few bottles of wine worse for wear…
Peter, via email.

KEEP IT CLEAN

Dear *Mayfair*,
Six months ago, my wife, Olivia, decided that we should get a cleaner as we were both working full time and the housework was starting to get on top of us. Liv put a card in the local newsagents and, after interviewing a few different people, we ended up hiring a woman called Miriam, who came in three times a week. Although she was 36, she was still quite a looker: she was slim, with small boobs and tied back mousey blonde, shoulder length hair. She never wore a bra, and on cold mornings you could see her nipples poking through her jumper,

From what we gleaned during this shoot, 2020 looks like it might be a big year for the delectable Dannii Harwood, although it also spells pretty terrible news for the nation's menfolk going forward...

"Ha, yes, well I've started thinking it's time to keep an eye open or Mr Right! I've been having a great time partying for the last few years, but every now and again I can't help thinking it'd be nice to just snuggle down on the sofa with someone for a quiet evening in one or two nights a week!"

Hmm, so have you got your eye on anyone in particular for this role?

"Not really, but I'm going to start, um, auditioning!"

Well where do we sign up?!

THE EYES HAVE IT!

Dear *Mayfair*,
I'm a sucker for a pair of piercing blue eyes – especially when the rest of the package is as spectacular as Nicole Aniston, so I couldn't have asked for a better treat for Valentine's Day than a new set of her (other than to spend a bit of time – or ideally the rest of my life! – with the girl herself). I still have very fond memories of one a top-shelf regular from the noughties, Kyla Cole, who had a similarly captivating pair of eyes and a body to match. What a shame Kyla and Nicole never got a chance to shoot together – what a sensational set of photographs that would have produced!
Martin, Bromyard.
Hmm, yes, a set of Kyla and Nicole would have been something to behold, wouldn't it?! - Ed.

something I wasn't about to complain about!

I had never cheated on Liv – I'd never even been tempted – but the more time I spent with Miriam, the more I found myself fantasising about screwing her. As the weeks went by, Miriam became more and more flirtatious – when Liv wasn't around, of course. I was more than a little flattered and began to find excuses to hang around the house when she was in. I'm lucky that I that I can choose when to work from home and, as you'd expect, it was the days that Miriam was cleaning that I decided to work from home.

I knew Miriam was attracted to me, despite being married herself, and I had a feeling that us having sex was pretty much inevitable. So I wasn't too surprised when, one Monday morning, it finally happened.

I was working away on my laptop in the dining room, when I heard Miriam call me from upstairs. Although we would regularly joke around and chat while I was working, it was unusual for her to beckon me – either something was wrong or I was in for a treat, and I had a feeling it would be the latter. When I got to the top of the stairs and realised which direction her voice was coming from, my throat went dry.

I pushed the door to the bedroom open gently, to see Miriam standing in the middle of the room in just a pair of lacy knickers, which she slowly peeled down as I entered the room, to reveal a neatly trimmed bush and smooth, tucked in pussy lips. I didn't hesitate and moved in for the kill immediately, kissing her hard on the lips and ran my hands up and down her back. She kissed me back passionately, her tongue exploring my mouth, before pulling away.

"We've got to be careful," she whispered hoarsely, "If my husband finds out he'll kill me." And Liv, I thought, but pushed it out of my mind and moved my hands up to pinch her nipples. Her hand went straight down to my trousers and unzipped me.

Miriam pulled my cock out and dropped to her knees before me. She rolled my foreskin back and sucked on my cock's purple head; her tongue flicking back and forth as she rolled the surface of her tongue around the most sensitive parts of my cock, causing it to twitch.

I quickly stripped off and we fell onto the bed, licking and sucking away at each other. I spent ages licking her out and enjoyed watching her come over and over again, as I opened her up with my finger and thumb and sucked on her puffy little clit. Her entire fanny glistened with her juices and I gently pushed two fingers into her, enjoying the view as well as the feeling of her muscles contracting as she climaxed.

After a while, Miriam said that she needed to feel my cock inside her. I didn't waste any time and, placing her legs on my shoulders, I parted her soaking pussy lips and plunged my cock deep inside her. She was surprisingly tight, and I pumped in and out until I felt myself getting close to coming. I pulled out and told her to get on all fours – I wanted to fuck her doggy-style. She grinned as she flipped onto her stomach and lay over the edge of the bed with her arse sticking out. I couldn't help but admire her firm, smooth buttocks as I parted them, the sight of her little pink hole making me that bit harder.

She reached back under herself and, running her fingers through her bush, opened up her cunt lips for me, inviting me to plunge inside her warm hole again. I made each stroke count as I thrust deep and hard into her, enjoying the squelching noise we made with each pump. I loved watching Miriam's fanny lips clamped tightly around my shaft, the juices oozing from her as I fucked away.

After just a few minutes I felt her muscles contract and spasm on my prick as she orgasmed yet again, letting out a little cry in the process. I held on just long enough to pull my cock out and spray my load all over her arse and bush, rubbing the creamy goo in with my helmet.

We lay in bed for a while, fondling and slowly wanking each other. I knew we had a few hours before Liv got home, and I wasn't about to waste them working on the laptop! It was only fifteen minutes, or so, before I was ready to go again and I thought I'd make the most of it. Liv had a complete aversion to going on top, but when I mentioned it to Miriam she hopped straight on my dick and began riding away!

It felt amazing, having this sexy chick bouncing up and down on my cock, her setting the pace and there being nothing I could do to contribute – I was in temporary heaven! I grabbed Miriam's boobs, kneading them before flicking her stiff nipples, as she ground herself down onto me, her pussy swallowing every inch of my prick and making me moan as is shot my jizz up inside her.

Miriam and I have a regular fuck, every Monday and sometimes Wednesdays, too. It's harmless – there are no feelings involved – but I love having a lover who not only ride me like a cowgirl, but cleans up after herself, too!
Steve, Portsmouth.

MARIA

Age: 32 **Vital Stats:** 34D-23-37 5'3"
Photographer: Dazglam

So impressed were we with the set of Stella with a mirror last issue, we thought we'd have a go at repeating the trick this month with the gorgeous Maria, and as you can see, she's pretty quick on the uptake when it comes to 2-for-1 thrills as well!

"Well, it's not very hard, is it?" she insists. "Let's face it, if I'm looking at the camera in the mirror, then I know it'll come out alright, and if it means you can check out my bum at the same time, well good for you, I say!"

Yep, although with a bum that wonderful, 'good' doesn't quite do it justice!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

NVIDIA SHIELD

It sounds like the sort of accessory a rather-too-keen-to-impress superhero might wield, ("Bring me my Nvidia Shield, O Tagron of Thard!") but this nifty little piece of kit won't help you deflect the dreaded Death Ray of the Samdari or owt – but it will turn your daft telly into a really smart one, or shift your already smart one into the realms of genius... sort of. Despite the thoroughly tubular shape, it's an Android TV Box, and an update to the 2015 Shield which really was a box. Still, tech's getting smaller and smarter all the time, so where once you needed something that looked like an XBox, now you just need this little gizmo plugged invisibly into the back of your telly. But what does it actually do? In essence it's a media streamer, which lets you access the likes of Netflix, iPlayer and Amazon Prime, which is, let's face it, the very least you'd expect – but there's plenty more to it than that, because thanks to Google Assist it'll put shedloads of voice-activated apps at your, erm, fingerlips, allowing you to browse the web for info, plan routes and see the traffic and all that other stuff you can do on your phone. If gaming's your thing they've got that covered as well, and you can play using any Bluetooth enabled XBox or Playstation joypad. One of the best features, though, is the way the Shield can upscale HD to 4K, which really makes a difference on bigger tellies, and you can even Chromecast to your TV in 4K from your tablet or phone. There's also an SD card slot, so you can watch films or listen to music that way as well. The redesigned remote has a triangular back, which makes it especially pleasing to wield. Being Android, the whole world of Apple TV is out of bounds (but then what else can you expect from Apple?), but apart from that there's not much to quibble at here. Yes, it's pricy – especially the gamer-centric Pro version – but with that 4K upscaling you're not going to feel shortchanged any.

WT2 LANGUAGE TRANSLATOR

Fans of Douglas Adams will be familiar with the Babel fish, an existence of God-proving (or was it disproving?) creature which, once you've popped it in your ear, will translate every language for you and feed it directly into your brain. It was a neat way of getting round that *Star Trek* problem of everyone in space happening to speak English – something which must have been especially galling to the French. Well now technology's more or less caught up with Adams's brilliant idea by combining earbuds, of the sort people who can't be doing with wires increasingly listen to music on, with smartphone auto-translate trickery so that now, in theory at least, you can have a pretty normal conversation with someone with whom you don't have a single word in common! It can manage a whopping 40 languages, which takes in a fair old chunk of the world, and 88 accents. One way it can work is if you share an earbud each, but it's not always convenient to persuade waiters, receptionists and shopkeepers to keep popping an earbud in, so you can also just wear one yourself which, once you've spoken your phrase while pressing a little button, will translate the phrase for you so you can repeat it out loud in the other language. And there's a third mode that lets you use your phone to communicate with multiple people. They work for 5 hours on one charge, or 15 if you keep them in their charging case when out and about, which should see you through a day of sightseeing wherever you are. Given how rubbish us Brits tend to be at learning other languages, this is either the perfect companion on holiday and business trips or the death knell of any pretence of trying to get by in another language.

"Look Colin, when I suggested we find an interest we could share, I was thinking more along the lines of keep fit!"

Two rabbits, Barry and Fred, were being tested in a laboratory and after a few losses of hair and half of their teeth missing they decided to try and escape. They had a great plan and the next thing they knew, they were out in the countryside smelling the grass and generally having a good time. But after a while Barry got in a bit of a mood.

"Why are you in such a mood?" asked Fred.

Barry replied, "Well, you know that laboratory? I'm starting to miss the place."

Fred, in disbelief, said, "What, are you mad? That place is a dump. I've got more injection holes on my body than pores!"

"Yeah, I know," said Barry "But I'm dying for a fag!"

Dave was bragging to his boss one day, "You know, I know everyone there is to know. Just name someone, anyone, and I know them."

Tired of his constant boasting, his boss called his bluff, "OK, Dave, how about Tom Cruise?"

"Yes, Tom and I are old friends, and I can prove it."

So Dave and his boss fly out to Hollywood and knock on Tom Cruise's door and Tom Cruise shouts, "Dave! What's happening? Great to see you! Come on in, have a beer."

Although impressed, Dave's boss is still sceptical so after they leave Cruise's house, he tells Dave that he thinks him knowing Tom Cruise was just lucky.

"No, no, just name anyone else," Dave says.

"Donald Trump," his boss quickly retorts.

"Oh yes," Dave says, "Old buddies, let's fly to Washington." And off they go.

At the White House, Trump spots Dave on the tour and motions him and his boss over, saying, "Dave, what a surprise, I was just on my way to a meeting, but you and your friend come on in and let's have a cup of coffee first and catch up."

Well, the boss is much shaken by now but still not totally convinced.

After they leave the White House grounds he expresses his doubts to Dave, who again implores him to name anyone else.

"The Pope," his boss replies.

"Sure!" says Dave. "I've known the Pope for years."

So off they fly to Rome.

Dave and his boss are assembled with the masses at the Vatican when Dave says, "This will never work. I can't catch the Pope's eye among all these people. Tell you what, I know all the guards on duty, so let me just go upstairs and I'll come out on the balcony with the Pope and wave."

He disappears into the crowd headed towards the Vatican and sure enough, half an hour later Dave emerges with the Pope on the balcony, but by the time Dave returns, he finds that his boss has had a heart attack and is surrounded by paramedics.

Making his way to his boss, Dave asks him, "What happened?"

His boss looks up and says, "It was the final straw – you and the Pope came out on the balcony and the man next to me said, 'Who the fuck's that bloke on the balcony with Dave?'"

Helvetica and Times New Roman walk into a bar together. "Get out!" shouts the barman, "we don't want your type round here!"

A woman walks into her local dry cleaners and tells the old man behind the counter, "I've got another dress for you to clean."

Slightly hard of hearing, the old man replies, "Come again?"

"No," says the woman. "This time it's tomato ketchup!"

Maybe you're right. Either way, it sounds like good news for the lads of the region!

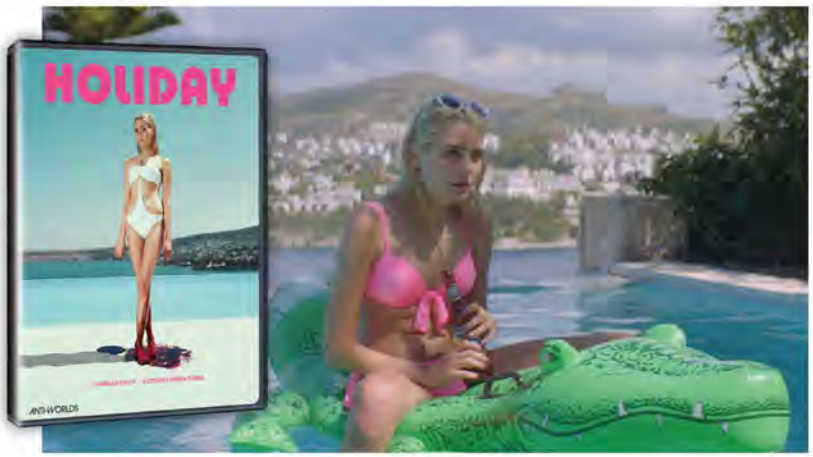
SCENE from MAYFAIR

A couple of little-known foreign language flicks that are definitely worth a squiz, and an age old classic that doesn't really have any language at all!

UNDER THE SHADOW

We all know a foreign language film won the best film Oscar this year, and while *Parasite* was doubtless a worthy winner (watch this space for a review when the DVD gets a release) Britain's entry to the best film in a foreign language category back in 2016 was a bit of a stonker as well – and now those who missed it at film festivals at the time can see for themselves. Set in a Tehran apartment in 1988, as the Iran/Iraq war rages, the films stars Narges Rashidi as Shideh, a reluctantly stay-at-home mum. Neighbours clear out as the shelling becomes more frequent, and Shideh's young daughter becomes increasingly disturbed by their predicament. But is it just the shelling that's unsettling her, or is there something more sinister and otherworldly at the root of it all…? The tension cranks up inexorably in this genuinely spine-tingling thriller that'll be best watched alone in the dark… if you dare!

HOLIDAY



You might expect a film with a title like that to be a cheesy piece of Christmas fodder or something – the sort of thing Channel 5 start broadcasting in the afternoons from about mid-October onwards – but you'd be well wide of the mark! Instead this directorial debut from Swede Isabella Eklöf is as chilling a work as anything her Scandi forebears could have come up with. Victoria Carmen Sonne plays Sascha, the newish girlfriend of gangster Michael (Lai Yde) who accompanies on a holiday to Turkey, along with plenty of his hangers-on. But of course Michael's a nasty piece of work, and the holiday soon starts to unravel as their relationship takes a turn for the worse and Sascha is put through the mill before finally deciding to take her fate back into her own hands. Shot with a clear-eyed dispassion, this is an unsettling film that'll leave a lasting impression.

THE SON OF THE SHEIK

Here's one of those films whose name you've got buried away in the back of your memory but which you have almost certainly never seen in your life. That's not too surprising, given that it hit the big screen way back in 1926, when even the Ed was barely a twinkle in his old man's eye. Its fame, of course, derives from the fact that it was the final screen appearance of Rudolph Valentino, the biggest heart-throb of the silent movie era, who died at the tragically young age of 31 before the film had even been released. As you might guess from the title, it's a sequel to the role that shot Valentino to stardom in the first place – *The Sheik* – and sees him at his dashing best as a desert-dweller who captures a dancer as romance blossoms. Remastered and with loads of bonus features, this is a fantastic historical release from Eureka.

EMMA

Age: 31 **Vital Stats:** 32DD-25-35 5'4"
Photographer: BBM

As regular readers should know, Emma Green hails from the rolling hills and valleys of Wales, but you might not know she's currently settled in leafy Surrey (why is it always called that? Is Surrey leafier than any other county?!) – so how's she finding it, and what does she miss most about home?

"Oh, I think I'd better say I miss my folks the most, hadn't I?! Otherwise they'd kill me!" she laughs, before adding, more seriously, that she does actually miss her family the most. "As for Surrey, well the best thing you can say for it really is that it's close to London, so I can head into town whenever I fancy a good night out! Oh, and it's quite handy for the M4."

With endorsements like that, no wonder they make such a big deal of the leafiness!

MAYFAIR MOVIES

Where would we be without nurses, eh? Well, probably dead, for starters, but they're clearly good for more than that as well – at least in pretendy-worldy porn flicks!

PRIVATE PRESENT ●●●●○
PRIVATE NURSES 2

EDITORS PICK

CAST
ANASTASIA BROKELYN
LIKA STAR
RENATA FOX
SELVAGGIA

This gets off to a rather topical start, with Lika, keen to meet up with her partner for some buisnessy reason, finding that he's at home, self-isolating with some nasty sort of virus! Does she wisely stay away? Not a bit of it, the game girl pops round, makes him a cuppa, then slips into a slinky nurse outfit and does her best to get him to perk up! And do you know what? – he does, thanks to a good noshing and a ride from the accommodating Lika! Personally I'm not sure all this conforms to WHO advice on dealing with viruses, but it makes for a rousing opener to this flick. Scene two involves some cock and bull tale about Renata Fox hoping to land a small role in a soap opera, which she decides to secure by dressing up as a nurse and attending to the lead actor's every need. From what follows, it looks like they'll enjoy a very good working relationship. A stylish pairing of Selvaggia and a pilot will please aesthetic viewers, while some anal for Anastasia should keep the raincoaters happy.

DIGITAL PLAYGROUND PRESENT ●●●●○
SLEEPLESS NIGHTS

CAST
LENA PAUL
DEMI SUTRA
ABIGAIL MAC

Proving that she's more than a pretty face, a nice pair of boobs and an old school bush, Lena Paul (see next page!) not only stars in this flick – she also wrote and directed it as well! It's all about what three fruity lovelies get up to when darkness falls and they manage to shed their daylight inhibitions, starting with Lena herself, who, fed up with being a wedding planner, plans a little action for herself while sourcing a location. A hook-up in a pounding nightclub soon sees Lena first noshing off another raver and then on the end of a pounding herself, courtesy of stud Xander. She looks sensational in her kinky clobber and Xander makes the most of his opportunity, slamming away with a real frenzy before finally coating his director's mush with goo. A nice lesbo scene for Abigail and Demi follows, before we get to the film's highlight, in which Lena and Abigail team up to take on a couple of woodsmen after Lena's got them warmed up on her own. And Lena's putting that furry fanny back in action for the closer, too.

EVIL ANGEL PRESENT ●●●●○
VAGITARIANS 2

CAST
KALI ROSES
ELSA JEAN
GABBIE CARTER
NAOMI SWANN

That's quite a nifty title, isn't it? Let's face it, everyone's on some sort of bespoke dietary regimen these days, so this is bound to appeal to a more woke generation of meat-dodgers, although as it turns out there's still plenty of meat and two veg on display after all, firstly belonging to Ramon Nomar, who, after he's watched her put on a nice little tease and shown off her magnificent boobs, has Gabbie Carter to tuck into. After she's patted him round the chops with her boobs he heads south for a feast on her shaven snizz, although to be honest there's no more of this than you'd get in any other movie. Still, the knobbing's grand, with those knockers once again to the fore as she rides him cowgirl. Tattooed Kali might not be so blessed in the bust department, but she's still a lovely looker and drains her stud in style. A bit of rimming from Elsa and Naomi add to the fun in the final two scenes in what is a nicely shot, well-lit and all round satisfying tug flick.

Sadly I knocked my piano lessons on the head when I was about 8, so I wasn't able to impress Lena here with my musicianship, but then again, I don't think even Richard Clayderman (er, is her still around?) would be able to give a particularly impressive performance with Lena putting on a floorshow like this a matter of inches from his blond bob!

"Ah, I used to play the piano a bit myself when I was a kid!" Lena chips in. "I think I can still remember the Moonlight Sonata, if you'd like me to give you a little recital?"

Erm, maybe later, love – you just carry on as you are for the time being...

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

There's not usually much to see out of our window at work, unless you like dilapidated warehouses. However, over the last couple of weeks, there has been plenty to look at in the form of a team of workmen resurfacing the flat roof. "Which one would you fuck?" Lottie asked.

"Lottie!" I scalded, although I'd already decided that if I was going to limit myself to just one of the workmen, it'd be the one with the cheeky smile who always sat on the wall opposite our office when he was taking a tea break.

"It's only a bit of fun," Lottie replied.

"The window's open," I hissed.

"They'll never hear with that blowtorch thing going," which was true enough. "Come-on, Chloe. Which one would you have?" I didn't want to play Charlotte's game. "I know which one you should go for, the one who always checks you out when he's having his tea." I started to protest, although I knew she was right. "I'd do his mate," Charlotte said, with a dreamy expression on her face. "Even though yours looks like he's got the biggest lunchbox, if you know what I mean."

"Lottie!" I protested.

"I bet his lunchbox would be more interesting than yours," she said, turning her nose up at my salad. "How's the diet going?"

"Pretty good, actually." I was missing my wine but was glad for the effect it was having. I'd dropped two dress sizes, although I was only admitting to one.

"So you won't be joining us at Costa?"

"No, I'll just stay here..."

"Well, at least you've got something nice to look at for a change," Lottie said, pointing out of our window. The guy with the cheeky smile was grinning back at us. Lottie beckoned him to the window. "I'll leave you two to it," she said, beating a hasty retreat.

"Hey," the guy said, leaning in through the open window. It felt like two worlds colliding. I was wearing my regulation white blouse and a delicate perfume, clutching my herbal cuppa while the cheeky chap leaning in had a bitumen-stained high-visibility vest over a dirty t-shirt. When I looked at his filthy, rough hands a shiver ran up my spine as I imagined them touching my skin.

"Hey," I said, trying to play it cool.

"All alone?"

"For the moment," I said, in very suggestive tone, which surprised both of us.

"Want some company?" I couldn't help but smile and that was answer enough for Ben to kick off his blackened work boots and launch himself onto the window ledge. Somehow he looked like a Ben. As the obvious bulge was now at eye-level, I knew that Lottie would christen him 'Big Ben' when she found out his name.

Name: CHLOE
Age: 38
From: SHEFFIELD

Ben caught where I was looking.

"Erm," I said, having been well and truly caught.

"It's OK," Ben said. "You're not the first office totty to perv over my package."

"I wasn't perving," I said, feeling an odd sense of pride to be classed as 'office totty'. "Lottie was the one who was looking."

"That the little redhead who just did a runner?" Ben asked, picking up my lunchbox. I nodded.

"So you and her have been taking about my lunchbox?" I grinned guiltily as I pushed my fingers through my hair. The way Ben was looking at me made my heart pound. "You could have something to tell her by the time she comes back from lunch."

"Like what?" I asked, feeling heat flush through my body, priming it for sex.

"Perhaps you'd be able to tell her what it looks like?"

I swallowed hard.

"I'd prefer to be able to tell her what it feels like," I suggested, feeling my pussy start to tingle. "Or what it tastes like."

> "BEING NAKED AT WORK WITH A HUNKY WORKMAN HAD MADE ME EXTREMELY HORNY."

"I like the sound of that," Ben said, unzipping the front of his trousers.

"Not here," I said, eyeing the open window. Despite my fantasies, the last thing I wanted was a queue of workmen waiting for me to suck them off. I backed away to the door and checked that the corridor was clear, then led Ben to the staff toilets. I'd offered a blow-job but I wanted more. Fortunately, there clearly was more as Ben's bulge was bigger than ever. By now my pussy was aching with need. After locking the door, I reached down for Ben's

zipper but jumped back when he made to touch my blouse. "It'll get dirty," I said.

"You'd better take off anything you don't want me to touch." There wasn't time or space to do a striptease. I just took all my clothes off as quickly as I could and hung them on the back of the door. "So I can touch anything that's left?" Ben asked, making it abundantly clear where his oily fingers were going. I nodded and sure enough, Ben's blackened fingers pressed against my pussy. He was surprisingly gentle but it made me gasp as being naked at work with a hunky workman had made me extremely horny. Knowing that only one thing could truly satisfy me, I pulled Ben's cock out. Unsurprisingly, it was one of the bigger cocks I've seen and knowing that it was hard for me took me to a new level of desire. I stroked it with both hands, enjoying the sticky heat of the skin. Wanking really wasn't enough.

"I want you to fuck me." It was an admission and a demand all in one. Given that I'd dragged Ben into a toilet and taken all my clothes off, it probably wasn't a surprise to him. I knew exactly how I wanted it, so turned round with my legs spread either side of the toilet and my hands against the wall. Ben rubbed the tip of his cock up and down my soaking pussy lips.

"You're really wet," he said.

"Just shut-up and fuck me," I snapped, pushing my bottom out as I did so. Ben didn't need a second invitation, although he did ease his cock in really slowly. "Oh fuck… yes!" I sighed, as Ben finally did the deed. It thrilled me to feel his cock moving inside my pussy as his oily hands gripped my hips. Surely there were going to be oily marks all over my body. My clitoris demanded that it be the focus of Ben's attention. "Rub my clit," I said needily, imaging what the dirty, oily fingers would look like as they rubbed my pretty pink pussy. As soon as Ben touched my pearl, it threatened to release my pent up desires. "Faster! Harder!" I screeched, having lost control of myself.

Ben drove his prick up into me so hard that he lifted my feet off the ground and my own body weight crushed my clit against his cock and fingers. Those hard, urgent strokes were exactly what I needed to release my orgasm and the pulses came hard and fast, making my head spin as Ben grabbed my tits, holding my naked body tight as he ejaculated inside me. "That was amazing," Ben grunted, as he leant against the toilet door.

"Watch my clothes!"

"Ooops, sorry," he said, jumping clear.

"I need to stay and clean-up," I said, dismissing my dirty lover, "but pop your head in our window and I'll give you my number." I left the greasy marks on my body but wiped away the juices between my legs before I got dressed and went back to the office.

"BEN DROVE HIS PRICK UP INTO ME SO HARD THAT HE LIFTED MY FEET OFF THE GROUND AND MY OWN WEIGHT CRUSHED MY CLIT AGAINST HIS COCK..."

"So, how did you get on with Mister Lunchbox?" Lottie asked as soon as she came back into the office. I pulled my blouse down a little to show the spread of black fingerprints on my left breast. "Looks like he's almost as dirty as you are."

"Almost," I agreed. "By the way, Ben's mate will be popping in to see you later. I said you'd be happy to give him a very warm welcome."

"AS HE FIDDLED WITH MY CLIT I WAS ALL BUT PURRING WITH PLEASURE. I'M A BIT OF A MOANER, AND I LAID IT ON REALLY THICK..."

I'm now in my final year at college and, as well as knowing I'd have to buckle down to study this year, I also realised this would be my last opportunity for a mega-long summer break. Once I graduate I'll be looking for a job! So I decided to do Thailand on a shoestring budget, living in a hut on the beach.

I wasn't sure at first – I'd never stayed anywhere so basic. But I gave it a couple of weeks and ended up loving it, especially when I met a bloke called Carlo. He was Austrian, probably spoke better English than me and was fit as fuck! If it wasn't paradise then it was pretty close – Carlo had the biggest, hardest dick I'd ever played with and just messing around with each other under the stars – or in the sea, when we could get away with it – was such a turn-on.

Obviously we didn't keep ourselves to ourselves all of the time. We met loads of people, but had the most fun when another Brit – a lad called Ryan – moved into the hut next to ours. By this time I was all tanned, more toned (from all the fucking and exploring we had been doing) and had got used to wandering around with not much on. This apparently made me Ryan's wet dream. Of course Carlo – who had an evil sense of humour – got off on me winding Ryan up, wandering around in my G-string bikini, and so on.

One afternoon, I was lazing around the hut when Ryan crept in as quietly as he could. "Ryan's having a wank next door!" he said. I'd been listening to my iPhone, but when I switched it off, I could hear him moaning. He didn't actually call my name, but Carlo reckoned he was definitely thinking about me while spanking his monkey.

Carlo then said we should really give him something to get excited about. It was always hard to say no to him, especially when he had a hand in my knickers! As he fiddled away at my clit, I was all but purring with pleasure. I'm a bit of a moaner and screamer anyway, but this time I laid it on really thick for Ryan's benefit.

All Carlo was wearing was shorts, so I got his cock out over the elastic and started giving him one of my special blow-jobs. I gave a running commentary right up until my mouth was too full to talk, and then Carlo took over, telling me to suck him good, loud enough for Ryan to hear. The idea of some bloke getting turned-on by our fucking got me all wet and excited.

> "I STARTED BY LICKING IT ALL OVER. HE TASTED SORT OF MEATY AND SALTY, HOT AGAINST MY TONGUE."

We were keeping half an ear open for Ryan's reaction – and soon realised he was now outside, watching us through a tiny gap at the side of the bamboo window-blinds. And, as far as we could tell, he was still wanking away.

"Oi, mate!" Carlo said, sounding scarily English, "Come and join in the fun if you want, don't stand out there!" We assumed he'd bolt – I actually felt sorry for the poor sod. But instead he stood exactly where he was and asked if we really meant it. I still had a mouthful of Carlo's cock, but I nodded.

I was still sucking when Ryan walked in. He had a pair of baggy swimming trunks on and one hand down them, but I felt my eyes go wide when he pulled out his cock. He was one of those little blokes who somehow manage to be massively well endowed. Even Carlo looked a bit taken aback when I shot a glance up at him.

Name: ANNA
Age: 21
From: YORK

He responded by grabbing the back of my hair, not roughly, but letting me know he wanted me to carry on sucking him. I really went for it, taking him in deep and rubbing his bollocks against my chin. Ryan still wasn't sure exactly what to do, so he just stood there wanking away. I got this tingly tightness in my pussy so,

as I sucked on Carlo's cock I started frigging myself, three fingers up my wet snatch.

At last, Ryan got the message and moved towards me, but Carlo suddenly pulled out of my mouth, got in behind me and stuck his cock into my snatch Ryan let out a groan, gritting his teeth – frustrated or maybe just turned on by what he was seeing. I felt a bit pissed off with Carlo getting possessive, but I didn't have to feel disappointed. I licked my lips, moistening them, and Ryan walked round to the front of me, wanking his cock at my eye level.

It looked so huge, the tip of it all purple and engorged, so I started by licking it all over. He tasted sort of meaty and salty, hot against my tongue. I thought he'd blow at any second but when he didn't, I started sucking him in a bit further, a bit harder.

As I let out a groan, Carlo started giving it to me harder, too. One minute he'd be thrusting in and out really fast, the next, he'd just bury his cock deep in my hole, grinding hard up against my slit and crack. A couple of times he shoved me forward, so I took Ryan's prick right down my throat. In the end, I curled my fingers round Ryan's root, so I had some control over how deep I was taking him – you need it with a cock that size! But this also meant I was able to let him just fuck my mouth.

So there I was, on all fours in a beach hut, one big cock pounding away at each end. Carlo slowed down a little bit now, pacing himself but I kept up the suction on Ryan. He didn't even try to resist. The second I felt that little twitch that said he was close to coming, he just groaned, "Yeah…" and the next second I was taking two ripe bollocks-worth of spunk down my throat.

Still reeling from this he made a move for the door, but I told him to stay where he was. I wasn't finished with him yet. Carlo was fucking me too hard and fast to last, and a couple of seconds later he pulled out, spraying my arse, then using his cock – still hard – to trace patterns in the mess and rub it all down my crack.

I did let Ryan nip out to get his bed-roll, then I just lay in between the boys, letting them have their fun with me. I told them the first one to get hard again could do me up the arse,

> ONE MINUTE HE'D BE THRUSTING REALLY HARD, THE NEXT HE'D JUST BURY HIS COCK DEEP IN MY HOLE.

but Ryan settled for fucking my pussy, while burying his thumb in my backdoor. Carlo just took things easy, wanking slowly until he was ready to take another sucking, and when Ryan shot his load up my pussy, he was ready to take over fucking me again. I don't think there was one time a hard cock wasn't waiting when I needed one, and I didn't leave the boys hanging around either.

Unfortunately Ryan was travelling around the country, so we only saw him for a few more days before he was off. After that, Carlo and I kept it on a one-on-one basis, until he left to go back home. We spent our last weekend together banging each other senseless, so much so I practically bathed in his spunk! I'll always remember my time in Thailand – it was the trip of a lifetime!

JADE

PHOTOGRAPHS BY VIV THOMAS

Jade is named after a precious stone, and judging by the gleam in her eyes, there's going to be no shortage of horny men offering to give her a few more.

"I'm not very adventurous I'm afraid, I've only ever done it in a bedroom, although there's been quite a few of them and often we end up on the floor. I like to have a pillow to hold onto or at least bite when things get a little crazy."

Jade is just finishing her degree and then will be out there looking for something else to do. We may be seeing a little more of her.

Classic MAYFAIR

Jade may not have considered herself very adventurous, but she did appear in our august publication way back in 1996, so that's not too shabby, is it? MAYFAIR

Vol.55 No.03

On Sale May 13th

You may not know that, for quite a long time, Albert Einstein was convinced that the universe wasn't expanding, even though his theory would have worked better if he had accepted the fact. It's hard to believe that such a luminary could make a blooper like that, but then even geniuses make mistakes sometimes. So while we're on the subject, yes, we said we were going to feature this set of Lauren Louise this issue, didn't we but hey, if Einstein can do it, so can the Ed after he's had a couple. Ahem, anyway, with a bit of luck you'll see Lauren next time, eh?
